Ordinary Talbot County,
Talbotton, Ga.

Dear Sir;

I am endeavoring to find out something regarding the family of William Collier or Wm. Vines Collier that died either in Harris or Talbot County around 1870, 72 or 75. I rather think his wife was a Raines and that she had a nephew by the name of Thomas Raines that lived with them. Don't think William Collier or Wm. Vines Collier had any children at all.

Could you give me any data on this or hand this letter to some old Citizen in your community that will remember this family as he resided in your County along during and after the Civil War and was raised over near The Rock, Upson County, Ga. This party was a brother of my Grandfather and was born along about 1812 or 1813.

Kindly reply on the back of this sheet. I am enclosing stamped envelope for reply.

Very respectfully,

J. C. Collier.
